Lakshya Global Logistics Pvt. Limited

Services:

Warehouse Management

Warehouse Management systems are a critical component of an effective overall supply chain management systems solution. Warehouse Management being a critical component in logistics operations, we offer end-to-end solutions on this front.

Lakshya is well equipped to manage and operate warehousing functions of receipt, unpacking, unit packing, put away, pick, pack, load and dispatch in accordance to agreed procedures including exceptions handling. Lakshya has deployed a WMS module which gives details of demand trends, stock supply planning, order management related to the goods availability at the warehouse, freight forwarding enhancing efficiently managing the warehouse operations and the movement and placing of goods within the warehouse thus giving increase in accuracy, reduction in labour costs and greater ability to serve the customer by reducing cycle times.

Lakshya Global Logistics Pvt. Limited

Lakshya uses a world-class Warehouse Management System (WMS) which can be tailored to suit all aspects of specific customer requirements whilst simultaneously allowing for nationwide flexibility in terms of warehousing locations. Our WMS's flexibility allows modifications to suit the needs of individual customers, including product data, inventory management, order management. It is fully web enabled with close integration to SAP.

We provide,

- ❖ Contract Warehousing
- ❖ Multi Client Facility
- ❖ Open Yard Management
- ❖ In-plant Logistic Management
- ❖ Project Warehousing
- ❖ Palletized Warehousing
- ❖ Spare Parts Management
- ❖ SOP Standardization
- ❖ KPI-based Management
- ❖ Cross Docking Rework and
- ❖ Refurbish Management

Lakshya Global Logistics Pvt. Limited

Customs Clearance Services

Lakshya Global Logistics will deal Customs and all other government agencies on behalf of your company to obtain the fastest possible clearance. We file entries electronically and will ensure all other government agency requirements are met, such as FDA requirements on food safety, preventing delays at the port when your goods arrive.

We also handle all permit requirements and other related documentation.

Lakshya Global Logistics Pvt. Limited

Services

Transportation:

Full Loads, Trailer loads, Canter loads, etc to all over India. Before the process of selection of a transportation mode starts, a few important tasks that have to be done are:

- ❖ Preparation of a full inventory of the stock.
- ❖ Measurement of total weight and volume of the material to be transported
- ❖ Type of goods to be moved
- ❖ Time availability

The choice of mode of transportation differs from case to case and depends on the customer's priorities.

Some of the factors that influence the decision making:

- ❖ Cost
- ❖ Convenience
- ❖ Time Taken
- ❖ Carrying Capacity
- ❖ Effectiveness

Lakshya Global Logistics Pvt. Limited
